PREAMBLE

Glory be to the almighty God for safely bringing us to the end of this term. As usual, His mercies and favour have been abundant on us throughout the term. To Him alone all thanks go.

School re-opened on Monday January 10th 2022. We spent a total number of 65 days in school with one holiday that's March 7th 2022. We embarked on the usual Mid-term break that occurred on 8th and 9th March 2022.

SCHOOL FEES PAYMENT

Management appreciates the effort of all Parents and Guardians who have fulfilled their responsibilities of paying their ward's fees in full. We urge all Parents and Guardians to pay their wards fees in full because the school depends solely on the school fees in running the school. Due to this, we encourage you all to follow the points outlined below.

- At least 75% of the school fees MUST be paid before or on re-opening.
- Full payment of fees MUST be made before mid-term break.
- Payment of school fees MUST be paid through the school's bank accounts or the MTN Merchant number (359683). NO CASH PAYMENTS WILL BE ENTERTAINED.
- Please always keep the proof of payment of fees until you receive the official receipt from the school. Some proof of payment include;
 - Pay-in-slip from the bank
 - Transaction ID from MTN MOMO payments

PTA GENERAL MEETING

There was a PTA general meeting on Sunday 27th, March 2022 at the school premises. At the meeting. It was agreed that UCmas is re-introduced in the school and the program is scheduled to start next term. Since the program is a sole PTA project. The UCmas levy (Ghc 80.00) is to be paid to the PTA. Parents and Guardians are therefore reminded not to pay their Wards' UCmas levy through the school's accounts. Mrs. Sophia Koranteng and Mr. Habbiah were also elected for the Vice Secretary and The Treasurer positions respectively. Management announced that there shall be a small upward adjustment of school fees next term.

2021 BECE RESULTS.

Glory he to God, the results of our Candidates who sat for the 2021 Basic Education Certificate Examination (BECE) was released in March. In general, it was *one* of the best in the history of the school. We are also proud to say most of our students have been placed in their first choice schools. We hereby want to thank the PTA, the general parent body and all individuals who contributed to the outcome of the remarkable performance of the Candidates

TEACHERS' MOTIVATION

We thank all Parents and Guardians who **hate stayed loyal to the payment of the teachers' motivation. We would also want to encourage others to pay coming next term. We urge that the motivation should be paid to the class teachers instead of adding it to the school fees or the bus fees that are always paid at the bank. The motivation is now Ghc 4.00 per week.**

TRANSPORTATION

We are glad to announce that for this term, from the very first week to the last week, we have not encountered single breakdown of school buses. To further boost the operations of the busing network and to fulfill our promise of giving every child a seat in the buses, we have purchased another Coaster Bus totaling our buses to eight (8). We therefore appeal to Parents to bear with us, cooperate and pay the bus fares on time to enable us run the transport network smoothly.
